#### Guests

Mayor McCleaf introduced Project Engineer Mike Nestor from Thrasher Engineering. Mr. Nestor reviewed with the Mayor and Council updates regarding the Water Tower Project. He reported the water tower construction documents are complete and currently under review by MDE. The original submittal deadline was met; however MDE extended the bidding and construction deadline. We are waiting final approval from the MDE before bidding out the project. Mr. Nestor hopes construction can begin this summer.

Mayor McCleaf introduced Mr. Jimmy Black, town resident. Mr. Black was present to speak on behalf of the town business, Potomac Family Restaurant. Mr. Black explained to the Mayor and Council the Potomac Family Restaurant wants to apply to make modifications to the front façade

of their building to include an outside sitting area. The sitting area would include tables, chairs and possibly a movable border. Mr. Richard Grimm, from planning and zoning, said it would be up to the Mayor and Council as to what they would want to do about this sitting area. Town Attorney Ed Kuczynski stated that in the past the table and chairs are not permanent structures but they are in the town's right away. Therefore, the Potomac Family Restaurant needs permission from the Mayor and Council to institute this outdoor sitting area. Mr. Jerry Stumbaugh stated he would like to see the Mayor and Council create an ordinance with some guidelines that the restaurant and future establishments could follow when instituting outdoor sitting areas. Town Attorney Ed Kuczynski suggested the Planning and Zoning Commission could draft up the guidelines and submit them to the Mayor and Council for approval. Mr. Stumbaugh said they could come up with the guidelines and submit them at the next Town Meeting.

Councilman Scott Bragunier presented a check in the amount of \$1,500.00 to the Town of Williamsport Boy Scout Troop #17, which was the Boys Scouts share of the proceeds collected in Byron Memorial Park during the Christmas Season. Mr. Randy Shirley, Scout leader, and several other members representing Troop #17 were present to accept the check.

Councilman Scott Bragunier presented a check in the amount of \$1,500.00 to the Washington County Boys and Girls Club, which was their share of the proceeds collected in Byron Memorial Park during the Christmas Season. Mr. Phillip Powell and Mr. Bill Detora representing the Washington County Boys and Girls Club were present and accepted the check.

Mayor McCleaf introduced Mr. Samuel Stine. Mr. Stine informed the Mayor and Council that on December 13<sup>th</sup>, 2013 he was caught by Deputy Sherriff Carl Witmer driving on the River Bottom Grounds performing donuts, which destroyed some of the grounds. He apologized to the Mayor and Council for his actions and stated he will work to repair the grounds he destroyed. He also offered to assist with snow removal, shoveling sidewalks, etc.

# **Correspondence**

Mayor James McCleaf read a thank you card from Eagle Scout Zachary Boger of the Williamsport Boy's Scout Troop #17 thanking the Mayor and Council for the proclamation and gift card. Mayor James McCleaf thanked Councilman Scott Bragunier for attending this ceremony in his place.

# **Council report**

Asst. Mayor Joan Knode reported the Charlie Brown Christmas was a great time. She said the total amount of donations collected from this event was \$4,093.99. These donations help pay for the cookies and hot chocolate provided for this event.

Asst. Mayor Joan Knode reported she is planning River Rat Day. This event is scheduled for Saturday, February 1<sup>st</sup>, 2014. The event is moving from Double Day Hill to the steps of Town Hall this year. There will be a ceremony at 11:00am. Local business merchants will be providing discounts and other special promotions for customers who wear their River Rat t-shirt. She also reported the US Air Force Ramblers will be performing at the United Methodist Church. This concert will be held on Tuesday, March 18<sup>th</sup>, 2014 at 7:00pm. Asst. Mayor Joan Knode reported Boy Scout Troop #17 will be celebrating their 100<sup>th</sup> year anniversary this year.

Councilman Jim Kalbfleisch reported on several water breaks in town. Each of these has been addressed. He also reported the water tower project is progressing.

Councilman Scott Bragunier reported the Christmas in the Park was a great event. It was attended by thousands. The Charlie Brown Christmas in the Barn was also a successful event. Councilman Scott Bragunier thanked the Mayor, Councilman Bill Green, Town Clerk Donnie Stotelmyer, Boy Scout Troop #17 and the Washington County Boys and Girls Club for collecting donations. The total amount collected from donations was \$11,838.70. \$1,500 was given to Boy Scout Troop #17 and \$1,500 was given to the Washington County Boys and Girls Club. This left \$8038.70 to go towards electric bills and/or supplies for displays. Councilman Scott Bragunier thanked the Town employees for doing such a good job of setting up the displays this year.

Councilman Scott Bragunier also reported he is in the process of planning the Civil War retreat. So far, he has received a lot of interest in this event.

Councilman Scott Bragunier reported he is planning a Double Days Heritage Event. He hopes to work with Riverview Cemetery for this event to have families of the deceased to come into the cemetery to visit and to help clean the area.

Councilman Scott Bragunier raised the idea of repurposing tennis courts near Billy Doub field. He proposes the Town repurposes the tennis courts to extend parking near Billy Doub field. He explained the need for such measures due to the high volume of kids who play on this field and the lack of adequate parking. He quoted an estimate from a local paving company that such a project would cost approximately \$6,000.00-\$8,000.00 Councilman Scott Bragunier made a motion to repurpose the tennis courts at Billy Doub Field to extend parking for the fields. Assistant Joan Knode seconded the motion. With all voting in favor, motion carried. Councilwoman Maya Haines raised concerns that such a flat parking area would attract skateboarders and bicyclers. Other Council members did not foresee this being a problem, because it is not a current problem in other parking areas in the park. Town Attorney Ed Kuczynski wants to make sure this project is properly engineered.

Councilman Alan Redding. No report. Not present at this meeting.

Councilman Bill Green reported he would like to amend the parking ordinance. The meter parking has a 2 hour limit. He wants the ordinance to be amended to reflect the maximum limit of 2 hours for meter parking. Town Attorney Ed Kuczynski stated he will review the ordinance on file to see if this issue is properly addressed in the current ordinance. He thinks it may already be included in ordinance. Councilman Bill Green said there was an issue this Holiday season with meter parking. The meters were covered up to provide free parking, but the bags did not indicate the 2 hour limit. Next year, he proposes we put signs on the meters to indicate the 2 hour limit or do away with the free holiday parking.

Councilman Bill Green reported there were a couple of parking meters with the expired flag sticking up. The indicator flag was stuck in this position. These affected meters will need to be replaced or lubricated to ensure they work properly.

Councilwoman Maya Haines thanked Town Clerk Donnie Stotelmyer and Town Employee Jamie Hill for educating her on electric policies EUSP and MEAP. With this information, she was able to help two local seniors get assistance to pay for their electric bills. Councilwoman Maya Haines raised concerns over business parking at Zelda's and Time Warp Madie. Tony's Dispusie application and the section for the section.

Media. Tony's Pizzeria employees were parking in spots in front of these two store fronts. The owners of both stores complained about these employees taking away parking from customers. Councilman Bill Green said he spoke with Jim at Tony's Pizza to address the parking concerns from the two businesses. He told Councilwoman Maya Haines these issues have been addressed. Councilwoman Maya Haines asked how you can tell which meter you are parking at, whether it is 2 hour parking or 30 minute parking. Councilman Bill Green responded that the meters are marked to indicate what type of meter it is. Councilwoman Maya Haines just wanted to make sure everything is being monitored. She asked what the parking policy is on Sundays.

Councilman Bill Green responded that parking is free on Sundays. Councilwoman Maya Haines reported that Zelda's and Time Warp Media stores would like to have 30 minute meters placed in front of their businesses. Town Attorney Ed Kuczynski informed Councilwoman Maya Haines

that consideration needs to be given other businesses in the area that will be affected by changing the meters to accommodate just two stores.

Councilwoman Maya Haines wanted to inform the Mayor and Council that a piece broke off of one of the speed bumps on South Vermont Street from plowing snow. This needs to be fixed. Also, she informed the Mayor and Council that signs for the speed bumps still need to be installed.

# Mayor's Report

Mayor James McCleaf no report.

#### **Unfinished Business**

Town Attorney, Ed Kuczynski reviewed with the Mayor and Council the Town of Williamsport Ethics Ordinance. The Town must adopt an Ethics Ordinance in compliance with Maryland State Law. The Town has been two years out of compliance. Our municipality is just large enough that we have to comply with this law. The Mayor and Council are required to report to the State of Maryland once a year. We could not get a complete exemption. Town Attorney Ed Kuczynski stated the ordinance presented today has been updated to comply with Maryland State Law. The State gave the Town one exemption regarding lobbying. We are not required to report on lobbying. He also reported the Mayor and Council should pose any questions regarding this Ethics Ordinance to either him or they can refer to <a href="https://www.washco-md.net/">www.washco-md.net/</a> attorney.com.
