Welcome to the 9<sup>th</sup> annual WWII weekend at the Springfield Barn, Williamsport, Md. We have changed the registration form to streamline it and have a better idea of your groups needs. The Unit CO will fill out the form and return to the address above (attn Will Snyder). We will be having 1 battle on Saturday so please answer Y or N on form if your group will be participating.

Please consider giving a presentation to the public and keep it around 15-20 mins. Let us know if your group can interact with another group on a presentation.

Just as info we will do the battle every other year. Also we will again show a modern military movie in the barn on Friday night.(UNBROKEN) with spam sandwiches, baked beans and chips with soda being served.

Please remember to list all members attending on back of registration and fee will once again be \$5 payable at registration on site. This is an honor system and this show is getting better each year so please have all your members honor the fee. It pays for itself just in the Friday night movie and food!

Any other concerns or comments please put on back with members and we will address each one the best we can.

Thank You for joining us and hope you enjoy this year's event.
