Special Needs:

Can your group give a presentation to the public?

Please list all members contact info on back of page.

Welcome to the 11th annual WW2 weekend at the Springfield Barn, Williamsport Md. This years dates October 13-14. We have changed the registration form to streamline it and have a better idea of your groups needs. The unit CO will fill out the form and return to : AAPS PO Box 788 Falling Waters WV 25419. Please note that we would like to have all your members attending contact info listed on the back.

The battle for this year is still being worked on. We cannot have a battle if we do not have Germans attending. So if you know of any German reenactor groups that are good at living history ,please ask them to contact us. Unfortunately the German groups were told that there was no show at Williamsport any more. We hope to get most of them back.

We are also looking for armor that would be willing to attend. We would like to have something new to draw the public to the show. Please be aware that if you can as a group, we would like to have 10-15 minute presentations and if you can interact with another group, let us know.

Friday nite we are planning a small get together in the barn with our traditional spam sandwiches , beans ,chips and a coke. Reenactor registration will once again be \$5 per person at which we will collect upon your arrival. This will get you your meal Friday and into the dance Saturday night. This is an honor system so please be sure to pay. Once again the event is free to the public but there will be a raise in prices to get into the dance if your not a reenactor. \$12 single, \$18 couple and WW2 vets Free. Lindy dancers will be considered reenactors and charged \$5.

Thank You for joining us and we hope you enjoy this years event. Please feel free to email your event coordinator Will Snyder at sgtchocks@frontier.com with any ideas to make this a better show or comments and concerns.
