

**Town of Williamsport
Request for Proposals
2022-1
Commerce-Salisbury
Sanitary Sewer Lining Project**

SCOPE OF ADDENDUM #1 – October 21, 2022

The following items constitutes the Town’s response to questions presented by one of the potential companies submitting a bid. These items must be considered and addressed within submitted bids. Bid submissions not incorporating these addenda will be subject to rejection.

Revision 1: Adjust project total to 435 linear feet; 160 linear feet from identified Manhole #1 to Manhole #2 and 275 linear feet from Manhole #2 to Manhole #3.

Revision 2: Add Exhibit B depicting the depths of the three manholes and linear feet of the pipes to be serviced as part of this project.

Revision 3: Remove Exhibit A and replace with Exhibit C showing the changes to the scope of the project outlined in Revision #1.

Revision 4: Water necessary to complete the scope of this project will be utilized from a nearby hydrant agreed upon by the successful contractor and the Town. There will not be a cost to the successful contractor for use of water, so long as the water is used within the scope of this project only.

Revision 5: Currently, the Town does not have specifications for CIPP, but expects a product typically used in municipal sanitary sewer pipes, like the products used by the City of Hagerstown.

Please send all questions regarding this RFP & Addendum to townmanager@williamsportmd.org. The Town’s response to all submitted questions pertaining to the Scope of Work will be addressed by e-mail (BCC) to all those who have provided information to the Town. The response will also be advertised on the Town’s website under “*Request for Proposals*” to ensure any potential contractor wishing to submit a bid, but did not provide their information to the Town, has access to this information.

******* A signed copy of this addendum must accompany your bid submission *******
