Request for Proposals
2022-14
Williamsport Boat Ramp Design**

SCOPE OF ADDENDUM #1 – December 23, 2022

The following items constitutes the Town’s response to questions presented by one of the potential companies submitting a bid. These items must be considered and addressed within submitted bids. Bid submissions not incorporating these addenda will be subject to rejection.

Revision 1: Section III, §D(e); replace paragraph with: Payment to satisfy the work outlined in this Request for Proposals will be made in two payments, 1) up to half the project cost on a monthly basis throughout the design phase up to the delivery of the Final Design documents, and 2) the remaining half of the project cost paid monthly throughout the construction phase of the project.

Revision 2: Proposal Submission Form; remove the date of May 1 ,2023; replace the date with July 1, 2023.

Revision 3: Section III, §A(c); the slope of the ramp will be designed between 12% and 15%.

Revision 4: Section III, §A(c), the amount of asphalt needed as part of this project should be sufficient to tie in any cuts in the existing roadway to the newly constructed boat ramp, and to allow traffic to access the newly constructed boat ramp from the existing roadway. Potential contractors are encouraged to visit the site to observe the area to determine by their own measurement the amount of asphalt necessary for this project.
