

**Town of Williamsport  
Request for Proposals  
2022-14  
Williamsport Boat Ramp Design**

**SCOPE OF ADDENDUM #2 – January 17, 2023**

The following items constitutes the Town’s response to questions presented by one of the potential companies submitting a bid. These items must be considered and addressed within submitted bids. Bid submissions not incorporating these addenda will be subject to rejection.

Revision 5: Successful bidders will need to work with the Maryland Department of Natural Resources throughout the completion of design.

Revision 6: Bids will be opened on February 6 as outlined in the Request for Proposals; however, the Mayor and Town Council will make a conditional approval for one of the submitted bids. Approvals will be subject to agreeance by the Department of Natural Resources prior to a Notice of Award / Notice to Proceed are provided to the successful bidder.

Revision 7: The approved contractor will be required to verify the any existing site survey and obtain additional information if needed.

Revision 8: One or two soil boring(s), as directed by the Department of Natural Resources, at the project site: the boring shall extend to the sufficient depth below existing grade to provide geotechnical information for design. The contractor shall backfill upon completion using soil material. The contractor shall include all related fees in the price, including laboratory test and report.

**\*\*\*\*\* A signed copy of this addendum must accompany your bid submission \*\*\*\*\***
