

**Town of Williamsport  
Mayor & Town Council  
Work Session Meeting Minutes – June 3, 2024**

On June 3, 2024, the Mayor & Town Council for the Town of Williamsport held a Work Session. Those members of the elected body who were present included Mayor William Green, Assistant Mayor Dennis Grove, Councilman Jim Braswell, Councilman Charles Brown, Councilman Earle Pereschuk, and Councilman Ben Tinsley. Town employees in attendance were Chad Rooney, Town Manager, and Ed Kuczynski, Town Attorney.

Mayor Green called the meeting to order at 4:06pm.

Mayor Green noted no new business is being presented because of the Maryland Municipal League Summer Conference.

The Town Manager then presented an idea for metered parking payments. Park Mobile is available through a certified contract the town can partner with to provide digital payment methods. The Town Manager explained this service could replace physical parking meters on Potomac Street and Salisbury Street while the town moves forward with replacing physical meters in the Town Center area of Conococheague Street area. After a brief discussion it was noted, the idea should move forward with all areas being placed under virtual payment methods and all parking meters be replaced as the town is able to purchase them.

The mayor explained the town will be seeking to overlay Clifton Drive and Maplehurst Avenue as funding is able.

The Mayor explained that ARPA money was expended on the street project and there is a very low balance remaining. Some of the money will be used for the above overlay project, while any remaining will be used for various small projects and purchases.

Mayor Green adjourned the meeting at 4:24pm.

Respectfully Tendered,

Chad P. Rooney  
Town Manager
